

# What cleaner for what job?

Stains, grime and muck can be a big problem. Fortunately, Norwex has effective solutions that tackle even the toughest messes – all without harmful chemicals that could impact your health.

	Specialty	Multi-purpose	Whole Home	Probiotics	Enzymes	Concentrated	Dilution
 <p><b>All-Purpose Cream Cleaner</b>   </p> <p>Microfine mineral powder with a bit of grit deep cleans gently but effectively.</p> <p>Where to use: Various hard surfaces indoors and outdoors</p>							
 <p><b>Bathroom Cleaner</b>   </p> <p>Organic salts and citric acid (instead of strong corrosive acids) effectively remove dirt and stains.</p> <p>Where to use: Toilets, basins and hard bathroom surfaces</p>							1 oz. per 7 oz. water (use undiluted to clean toilets)
 <p><b>Bright &amp; White Laundry + Home Booster</b>   </p> <p>Plant-, oxygen- and enzyme-based, bleach-free powder removes laundry stains and more.</p> <p>Where to use: Laundry and tough stains throughout the house</p>							
 <p><b>Cleaning Paste</b> </p> <p>Long-lasting “elbow grease in a jar” removes stubborn stains like marker, scuff marks, rust and more.</p> <p>Where to use: Throughout the house on a wide range of surfaces</p>							
 <p><b>Descaler</b>   </p> <p>Removes soap scum, heavy calcium, limescale and rust deposits in just minutes.</p> <p>Where to use: Porcelain, ceramic, fiberglass, stainless steel, aluminum, vinyl and plastic</p>							
 <p><b>Heavy Duty Degreaser Concentrate</b> </p> <p>Non-abrasive, cost-effective concentrate cleans oily, greasy messes.</p> <p>Where to use: Kitchen, garage, hard surfaces and fabrics</p>							3 Tbsp per 16 oz. water (5 Forever Bottles)
 <p><b>Mold and Mildew Stain Remover</b>   </p> <p>Hydrogen peroxide-based cleaner quickly and effectively attacks tough mould and mildew stains throughout the home.</p> <p>Where to use: Bathrooms, kitchens, attics, closets, garages, basements and more</p>							
 <p><b>Oven and Grill Cleaner</b> </p> <p>Enzyme-based cleaner dissolves tough, baked-on deposits with no residue or odors.</p> <p>Where to use: Ovens and grills</p>							
 <p><b>Probiotic Hard Surface Cleaner Concentrate</b>   </p> <p>Surfactants and probiotics enhance the cleaning power of Norwex Microfiber and water to remove stubborn stains and grease.</p> <p>Where to use: Floors, countertops and other hard surfaces</p>							3 oz. per 16 oz. water
